PORTLAND'S CENTERS FOR THE ARTS

Admissions Newsletter – May 2025

Thank you!

June 2025 is a bit slower than last year, and our season begins to wind down a bit early at the end of the month. That being said, we still have a busy May to contend with!

I've very much enjoyed all the great productions that have passed through and look forward to more still: Elvis Costello on June 13th, Gillian Welch on June 25th, the Oregon Ballet collection and the final Mahler that winds down OSO's season.

Of course, things just wouldn't be the same without the contributions of our Admissions team. Thank you for being the best part of this season, and I commend everyone's hard work in helping bring the performing arts to our community (and beyond!). As always, I look forward to working alongside you, whether it be in the theatres, with scheduling, or any other need you may have. Thank you again, everyone!

Metro required training

We only have one more in-person training for required Metro learning available, and that is on:

May 19th: 10:00 a.m. – 2:20 p.m. (deadline to sign up: May 12th)

If you still need to complete your training and are available, please try to attend this final training – simply email me your interest and I'll add your name to the roster of attendees.

Construction is still ongoing, so please enter the building through the plaza. From Grand Ave, head north and turn left on NE Irving (literally the next street up) and follow the signs for the entrance. From there, a receptionist (or me!) can help you find your way.

To clarify, this training is *not* held at OCC, but rather at the Metro Regional Council building, located at 600 NE Grand Ave. Don't forget to pack a lunch for the trainings – there is a DEI luncheon scheduled during these training times.

Other options for Metro training

I'm in the process of creating a schedule for proctored, required Metro trainings here at P'5. These won't be quite as exciting as the in-person trainings and will basically consist of attendees watching required training videos. However, they will count towards completion of the basic trainings.

Be on the lookout for several dates in June – I'll release more information soon!

Backstage tour of the Keller Auditorium – May 7th

P'5 is hosting a backstage tour of the Keller Auditorium on Wednesday, May 7th from 5:00 p.m. – 6:00 p.m. If you attended the previous tour of the ASCH, then you'll know what to expect! Chris Bergstrom (Technical Production Services Manager) has kindly agreed to host this tour, as well.

If you've ever been curious about the backstage spaces of the venues you work in, please join us! We'll meet under the portico on 3rd Street and go from there.

Please note this is not a paid training, but rather an opportunity to learn and explore the spaces you don't commonly see.

Staff Barbecue – June 11th

I also wanted to pass along an additional reminder for the staff barbecue: June 11th from 12:00 p.m. – 2:00 p.m. Don't forget to mark your calendars and join us as we come together to celebrate on Main St.!

Memorial for Lisa Sarazin – May 10th

In case you aren't already aware, a memorial for our friend and teammate Lisa Sarazin will be held at Trinity Episcopal Cathedral Church (147 NW 19th Ave., Portland OR 97209) on Saturday, May 17th at 2:00 p.m.

If so inclined, please feel free to pay your respects to Lisa – the memorial service is open to the public.

May 17th is a light day for us here at P'5 but, if there are any scheduling concerns in relation to the memorial, please reach out to me for assistance.

Changes to Staff Gate call times starting June

It is my understanding that the Staff Gate call time doesn't always align with the opening of Box Office, and work may be done by Gates with stanchions before their scheduled call times.

To address the issue and ensure all work is done on the clock, the call times for Staff Gate will be adjusted to two hours before the performance start (as opposed to 1 hour and 45 minutes) as in the past. This change will not apply to OSO performances or Broadway performances – there is already a Gate scheduled to cover these duties.

This is significant because if you routinely indicate availability as a Staff Gate, you'll want to be sure to account for the change during your preference scheduling.

The length of your shift, four hours, will remain the same.

Please let me know if you have any questions at all – thank you!

Procedure for calling out and Stage Door numbers

I've had a few asks to send out a reminder about the call out procedure, so here's that information for your reference.

For callouts, you'll want to call the Admissions Staffing Line first – if no one picks up, please leave a message, then call Stagedoor. If you are running late for a shift, it is a courtesy to try and contact the HM through Stagedoor (though you'll still be late to your shift).

Admissions Staffing Line: 503-796-6517

AHH Stagedoor (for Newmark shifts): 503-274-6551

ASCH Stagedoor: 503-274-6563

KA Stagedoor: 503-274-6562

At least a three-hour notice for callouts is very much appreciated!

Evacuation Drill Dates

Evacuation drills will be held on May 3 in the Brunish Theater; May 16th in the Newmark Theater; May 18th in the Arlene Schnitzer Concert Hall; May 20th in the Keller Auditorium; and May 23rd in the Winningstad Theater.
